Reason for
Educational
Structure
change:

New Horizons has decided to discontinue its certification as a school. This is due in part to the low number of students enrolled in the school. This will only affect 7 students. Another contributing factor is due to the only teacher employed by New Horizons is retiring. New Horizons feels it can continue to work with the home school district as each of the students affected to continue to provide the education and teaching that is identified by their team in the personal IEP.
